Dear Mr. Noland:

In response to the Notice of Allowability dated June 24, 1998, and in accordance with Paper No. 2, enclosed is a copy of a COMBINED DECLARATION/POWER OF ATTORNEY by the inventor filed 3/10/95 for CIP application 08/402,511.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Assistant Commissioner of Patents, Washington, D.C. 20231 on 8/18/98

Howard C. Tarr, Esq.
(Applicant, Assignee, Registered Representative)

(Date of Signature)

When this divisional application was filed, the COMBINED DECLARATION/POWER OF ATTORNEY of the grandparent application (08/177,532, filed 1/05/94) was inadvertently sent instead of the COMBINED DECLARATION/POWER OF ATTORNEY of the Continuation-in-Part application (08/402,511, filed 3/10/95). Accordingly, submitted herewith is a copy of the COMBINED DECLARATION/POWER OF ATTORNEY of the Continuation-in-Part application (08/402,511 filed, 3/10/95) for filing with this application. The examiner should note that the latter COMBINED DECLARATION/POWER OF ATTORNEY, which is already on file, covers this divisional application, and therefore a supplemental declaration is not felt to be needed.

Respectfully submitted,

Howard C. Tarr
